Hi Rebecca:

Last week we visited about an inductee that was unable to participate in the induction ceremony because of an unavoidable conflict. I am writing to ask if an e-mail message would suffice so that we could install him next fall or if you need a formal letter which I will be happy to provide.

Zach Meier completed all of the requirements for membership with the exception of participating in the induction ceremony. He had to attend a dinner of the Kaufmann Foundation in Kansas City as one of the student hosts. The banquet was held at the same time as our induction and the two hour drive between Kansas City and Kansas State University prevented him from participating in our ceremony. He wants to become a member of Tau Beta Pi and hopes that he can be inducted next fall.

Thanks.

Dick Hayter
